Viper Gaming Series 1TB MICRO SDXC V30 A2 (w/o Adaptor)

Now introducing the Viper Gaming V30 A2 microSD, a microSD card to elevate your device to the next level. With up to 1TB of space, there is storage for anything from old photos to new games. The V30 A2 microSD allows for lightning-fast game loading, allowing you to play anywhere and anytime, with read speeds up to 100MB/s and write speeds up to 90MB/s. For creatives looking to record their next hit video, this microSD is designed with 4k video recording support and features a video speed class of V30, ensuring it can handle higher video resolutions and recording features.

The V30 A2 microSD is created to have a wide range of compatibility, including being compatible with Windows 11, Windows 10, Windows 8, Windows 7, Linux 2.4 and later, Mac OSX 10.6 and later, and supports the Android A2 app. It also complies with SDA 6.X, 5.X, and 3.0. Built with the best-in-class materials, this microSD provides extra storage to support the busyness of everyday life when it comes to both work and play, allowing for anything from app launches to file transfers to be fast and easy.
