

THE KISTA COLLECTION

G U N N A R

ERIKA

LEGENDARY PERFORMANCE LEVEL

DESCRIPTION

Inspired by the vibrant Nordic technology hubs, Erika is a captivating soft cat-eye frame from our Kista Collection. Crafted from a premium blend of stainless steel and Italian acetate, this eyewear piece effortlessly combines style and comfort. Available in two unique colorways, Erika is designed to enhance your look while providing the ultimate in wearability. Featuring popular lens tints that effectively reduce digital eye strain and block blue light, including Amber and Clear options, Erika ensures your eyes stay protected without sacrificing fashion. Embrace the perfect fusion of modern design and functionality with Erika—an essential accessory for today’s tech-savvy lifestyle.
