Product name: ENDORFY Fortis 5 Black ARGB
Product code: EY3A014

Produced in a black color scheme, the air cooling system was developed in collaboration with Synergy Cooling. Equipped with the award-winning Fluctus 140 PWM ARGB fan featuring a fan-stop function, combined with an asymmetrical heatsink and six heatpipes, Fortis 5 Black ARGB delivers top-tier cooling performance without producing loud noise.

Superior cooling performance

The densely finned heatsink, mounted on a base with six heatpipes, effectively dissipates heat from the processor. Optimized for unidirectional airflow, Fortis 5 Black ARGB ensures best-in-class cooling efficiency.

Quiet fan

Maintaining low temperatures is handled by the Fluctus 140 PWM ARGB fan, mounted on a durable FDB bearing, and equipped with a fan-stop function, enabling semi-passive mode. The fan blades are profiled to ensure optimal airflow through the densely-finned heatsink while simultaneously reducing noise levels (psychoacoustic optimization of Fluctus fans is patent-pending).

Black finish

Every component of the cooling system is designed in black, making Fortis 5 Black ARGB aesthetically pleasing in both classic cases and setups with illuminated components.

ARGB backlight

The fan and the top panel, equipped with ARGB backlight, can shine in any of 16 million colors. The illumination works particularly well at night or in a dimly lit room, whether in a static color mode, wave, rainbow, or other dynamic effects.

Nano-Reset ARGB controller included

You don't need a compatible motherboard or PC case to set up the backlight effects for Fortis 5 Black ARGB. The cooler's set includes a Nano-Reset ARGB controller, that lets you choose the color & mode of the backlight or turn off LED lights completely.

Easy installation

An included mounting frame simplifies installation, even for less experienced users unfamiliar with component assembly. Fortis 5 Black ARGB is compatible with both AMD and Intel processors.

Thermal paste included

The cooling system comes with a tube of Pactum PT-3 thermal paste, known for its efficiency and ease of application, sufficient for several installations.

6-year warranty

Fortis 5 Black ARGB is backed by a long 6-year warranty on the entire cooling system.

ENDORFY Fortis 5 Black ARGB – main features:
- High performance CPU cooling
- Black finish
- ARGB backlight
- Nano-Reset ARGB controller
- Fluctus 140 PWM ARGB fan
- Extended fan speed range
- Optional semi-passive mode
- Multi-socket compatibility
- 6-year warranty
- Thermal paste included

ENDORFY Fortis 5 Black ARGB – technical specifications:
- Product code: EY3A014
- EAN: 5903018667935
- Product type: CPU air cooler
- Color: black
- Radiator dimensions: 159×144×107 mm
- TDP: 220 W
- Radiator type: tower
- Heatpipes: 6
- Maximum number of fans: 2
- Fans (included): 1
- Included fans:
  - 1× Fluctus 140 PWM ARGB
    - Fan dimensions: 140×140×25 mm
    - Fan speed: 250 (±100) – 1400 (±10%) RPM
    - Control (speed): PWM

- - Connector (fan): 4-pin (power, male + female)
  - Voltage (fan): 12 V
  - Current (fan, peak): 0.20 A
  - Power connection (LED): 3-pin (male and female)
  - Voltage (LED): 5 V
  - Current (LED, peak): 0.55 A
  - Fan bearing: FDB
  - MTBF: 100 000 h
- CPU compatibility:
  - AMD: AM5, AM4, AM3(+), AM2(+), FM2(+), FM1
  - Intel: LGA1851, LGA1700, LGA1200, LGA115X, LGA2066, LGA2011-3, LGA2011 (square ILM)
- Warranty: 72 months

ENDORFY Fortis 5 Black ARGB – logistics data:
- Retail box dimensions: 165×140×200 mm
- Weight (net): 835 g
- Weight (gross): 1.15 kg
- Master carton dimensions: 590×510×220 mm
- Master carton weight (gross): 15.10 kg
- Product quantity in master carton: 12 pcs

Set includes:
- 1× Fortis 5 Black ARGB heatsink
- 1× Fluctus 140 PWM ARGB fan
- 1× Nano-Reset ARGB controller
- 1× Mounting accessories
- 1× Pactum PT-3 thermal compound
- 1× User and safety manual
